## **Locks of Love Guidelines for Acceptable Hair Donations:**

- Hair that is colored or permed is acceptable
- Hair that has been bleached (usually this refers to highlighted hair) is not usable. If unsure, ask your stylist. We are not able to accept bleached hair due to a chemical reaction that occurs during the manufacturing process.
- We cannot accept dreadlocks. Our manufacturer is not able to use them in our children's hairpieces. We also cannot accept wigs, hair extensions or synthetic hair.
- Layered hair is acceptable if the longest layer is 10 inches.
- Layered hair may be divided into multiple ponytails.
- Curly hair may be pulled straight to measure the minimum 10 inches
- 10 inches measured tip to tip is the minimum length needed for a hairpiece.

### **Please Note:**

- Shorter hair will be separated from the ponytails and sold to offset the manufacturing costs. Although the shorter hair cannot be used in the hairpieces, it still greatly helps to reduce costs.
- Gray hair will be accepted and sold to offset the manufacturing costs.
- Colored is not usable if it is colored over bleached hair.

### **How to Donate:**

- 10 inches measured tip to tip is the minimum length needed for a hairpiece.
- Hair must be in a ponytail or braid before it is cut.
- Hair must be clean and completely dry. \*Please arrive to the Spa-A-Thon with your hair freshly washed and dried if you plan on donating.
